**Re: United States v. Rashee Lamont Hunter**  
**Criminal Action No. 05-13-GMS**

Dear Judge Sleet:

In light of the Court's ruling today in the evidentiary hearing in related case 05-12-GMS, *United States v. Fisher*, that the Court would not consider the section 2K2.1(b)(5) enhancement for the alleged robbery in the absence of the alleged victim's testimony, counsel agree that there is no reason to present witness evidence at the sentencing hearing in the above-captioned matter.

Respectfully submitted,

COLM F. CONNOLLY  
United States Attorney
